Val d'Isere, France - Is located in the Savoy Region of the majestic French Alps, Val d'Isere is one of the world's largest and most famous ski resorts. Dare to join a limited number of select people and ski the Olympic slopes of Val d'Isere in the tracks of Jean Claude Killy! Val d'Isere offers enough challenge to make this region the favorite of accomplished skiers, yet the wide-open, rolling slopes make it all seems easy. It is literally possible to ski day after day without taking the same run for a second time. There is some easy-to-intermediate skiing high on the Solaise and Belvedere complex, but the long, tough route back down to Le Laisinant is for the expert only. Enjoy Espace Killy and from Val d'Isere to Tignes for many hours and miles of skiing.

The Hotel Altitude*** is ski-in/ski-out chalet-style hotel, located just steps from the legendary Face de Belvedere ski slope and has a warm and charming atmosphere. The restaurant is warm and cozy, featuring authentic Savoyard décor and serves the finest of local products with their traditional French cuisine. At the foot of the Olympic gondola, the Altitude has an excellent ski-in, ski-out position, 3 minutes' walk (300m) across the slopes from the village center. Most rooms have a balcony with an appealing view. Overview of facilities: Lounge with open fire; cocktail bar; restaurant; fitness center with sauna and steam room and gym; ski room with boot dryer; lift; free Wi-Fi in public areas.

SKI STOWE ON **ST. PATRICK'S DAY!**

The Stowe bus trip will be leaving noon on **Thurs, March 17th** (to celebrate St. Patrick's Day) and return on **Sunday March 20th** (skiing the Stowe awareness days Friday - Sunday). Lodging is at the **Golden Eagle** resort. The resort is getting renovated completely this fall and the pool and large jacuzzi are now salt water.

Everyone had such a good time last year that we decided it was such a great deal we'd do it again. This year we are going to have 3 full breakfasts included and a buffet Italian dinner party at the Colonial Cafe Friday night to get acquainted and share stories.

Let's see who has the funniest ski and snowboard stories this year! We've included a box lunch for Sunday night to let us get home by 9:30pm.

The bus will transport us to the resort and to the mountain daily and make a run to the grocery store if you want to fill up your small refrigerator in the room.

Feel free to take the complimentary trolley and explore Stowe resort on your own. If you've been to Stowe or this is your first time to Stowe resort, you will not regret your decision to join us for a unique experience.

For further details on cost, please contact Mary O'Hara at 475-529-5658.
Be on the look out for a flyer on our website by Sept. 15th!

BULK TICKET INFORMATION

Connecticut Ski Council Bulk Ticket and Awareness Days Policies 2015–2016

The following is the policy of the Connecticut Ski Council regarding the purchase and use of bulk ticket vouchers. The CSC requires that all member-clubs comply with these policies.

Purchase of Vouchers:

- Bulk ticket vouchers may be purchased by CT Ski Council member-clubs only, and only after the club has been a member of the CSC for one full year.
- Bulk tickets are for the exclusive use of dues-paying members of CSC member-clubs.
- CSC annual dues must be paid in full prior to the club placing bulk ticket orders.
- Orders will be placed at the October CSC meeting each year. Vouchers are to be picked up at the November CSC meeting by the club's designee. Under no circumstances will bulk tickets be mailed to a club.

Exchange of Vouchers for Daily Lift Tickets:

- Each club member 18 years of age or older must be issued a club membership card, and the current year's CSC sticker must be affixed to that card. Family membership club cards must list the names of family members on the card and must affix a current and valid CSC sticker for each person listed. Clubs may elect to issue membership cards to individuals under the age of 18 in lieu of listing names on a family card.
- **EVERY PERSON WHO EXPECTS TO EXCHANGE A BULK TICKET VOUCHER FOR A DAY'S LIFT TICKET AT ANY MOUNTAIN RESORT MUST HAVE EITHER HIS/HER OWN INDIVIDUAL CLUB MEMBERSHIP CARD, OR BE INDIVIDUALLY NAMED ON THE FAMILY'S MEMBERSHIP CARD AND A VALID CSC STICKER AFFIXED FOR EACH INDIVIDUAL WHETHER ON HIS/HER OWN CARD OR ON A FAMILY CARD.**
- Club membership cards will be shown by individuals to ticket window personnel when a voucher is being redeemed for a daily lift ticket. Mountain resorts have the right to request and/or require identification in addition to club membership cards at their discretion. Resorts also have the right to refuse redemption of voucher if a valid membership card is not presented for each voucher to be exchanged for lift ticket.

Policy Violations:

- Clubs shall not charge their members any additional purchase fee, and shall only sell vouchers to its members at the price quoted by the CSC. We recommend that no tickets shall be mailed to individuals by the clubs, but in the event this occurs, actual postage fees may be charged by the club to the individual on a per-order basis only.
- Distribution of vouchers through other avenues such as but not limited to websites, eBay, resort parking lots, guests of rental properties or contest give-aways will result in the banning of the individual from purchasing vouchers in subsequent seasons.
- Names of chronic and blatant individual violators will be provided to all CSC member-clubs on an annual basis.
- Violation of the CT Ski Council policies will result in possible termination of the individual's membership in his/her club, and possible expulsion of the club from the CSC.

Return of Unused Vouchers at Close of Season:

- All unused vouchers shall be returned to the CSC bulk ticket coordinators at the May CSC meeting – no exceptions.
- A dollar percentage of unused vouchers shall be credited to each club that has returned said vouchers. The credit shall be applied to the purchase of the following year's vouchers.
- The percentage will vary according to the contract with the individual participating resort. Credit is based on an aggregate figure allotted to the CSC.
- **Refer to Okemo Bulk Ticket Policy for specific return instructions.**

Please note: Policies apply to both Southern and Northern tiers. There may be modifications in Northern tier policies; please contact those coordinators for details.

Please note: All membership card information also applies to all CSC Awareness days.

Okemo Bulk Ticket Program 2015–2016

There are big changes in the Okemo bulk ticket program this year that will affect each of your members who purchases Okemo bulk tickets. Please read this carefully, and make sure **every ticket buyer has a copy.**

Okemo has converted its voucher system to **radio frequency ID lift access cards. These are direct-to-lift, live tickets.** This means the vouchers will look different, and because they are LIVE TICKETS, users do not have to exchange vouchers at the ticket windows.

Here are the important things for you and you club members to know:

Carry **ONLY ONE TICKET** in your pocket/wallet/jacket when you ski. If you carry more than one, **ALL** of the tickets will be scanned and thereby **INVALIDATED** when you try to use them another day. In addition, no other RFID cards from other resorts may be carried concurrently.

All skiers will be scanned at lift entry, and skier ID and photo stored in the scanner.

At the end of the ski day, **TEAR UP AND THROW OUT THE USED TICKET.** Provided access cards are single use only and may not be reloaded.

Okemo will continue to accept a 20% return at the end of the season. However, OKEMO will deduct \$1 for every ticket returned from the credit due for the next ski season. Therefore, you must order carefully – DO NOT over-order. Okemo will allow the CSC to place additional orders (of 25 or more each time) throughout the season, so you will always be able to purchase tickets at the CSC discounted rate.

Tickets have an ID number. **IT IS MANDATORY THAT EACH BULK TICKET COORDINATOR FOR EVERY CLUB RECORD THE ID NUMBER AND THE CLUB MEMBER'S NAME.** If there are any problems or abuses of the program, both Okemo and the CSC can directly trace it back to the club member. If this is NOT done and there are problems, the entire club's tickets can be invalidated at the discretion of Okemo. These tickets **CANNOT** be used by anyone other than the individual club member. They

cannot be sold, given away to friends, or used as perks in club lodges or private homes. Tickets are a member-only privilege.

Credits from the return of last season's vouchers will be applied to the purchase of this season's tickets, as always. You will place your Okemo order just as you have done in the past. The only difference for the user is that they are LIVE tickets, scanned at lift entry, and that every unused ticket will be charged \$1 when all tickets are returned at the end of the season.

Thank you for your cooperation.

N.Y. Mets vs. Pittsburgh Pirates

Citi Field, Flushing, N.Y.

Sunday, August 16th, 2015

More than 30 people traveled to Citi Field in New York on August 16th for Danbury Ski Club's annual baseball outing. We saw the first place New York Mets play the wild card-leading Pittsburgh Pirates.

The day started out sunny and hot. Our group expected a close, hard-fought game between two teams which may be headed to the postseason, and for nearly six innings, that's what we saw. In the sixth inning, a sudden unexpected thunderstorm delayed the game for about an hour. When play resumed, the Mets' star pitcher Matt Harvey was out of the game, and suddenly the Mets could do nothing right and the Pirates could do nothing wrong. The game had been tied 1-1, but after the delay a combination of Pirates' hits and Mets' errors turned the close game into a 6-1 Pittsburgh victory. Although the Mets fans were disappointed, the group had a very good time spending an enjoyable late summer day at the ballpark. Everyone in the group was very nice and friendly.

Thank you so much to all who participated!
